Newly Named Petco Love Invests in Lifesaving Work of Hearts & Bones Rescue
Grant of \$4,000 will help save more pet lives in Texas

Dallas, TX and New York, NY (April 21st, 2021) – Hearts & Bones Rescue announced today a \$4,000 grant investment from the newly named, Petco Love, to support their lifesaving work for animals in Texas.

Petco Love is a nonprofit leading change for pets nationally by harnessing the power of love to make communities and pet families closer, stronger, and healthier. Since their founding in 1999 as the Petco Foundation, they've empowered organizations with \$300 million invested to date in adoption and other lifesaving efforts. And, they've helped find loving homes for more than 6.5 million pets in partnership with Petco and more than 4,000 organizations, like ours, nationwide.

"Petco Love announces an investment in Hearts & Bones Rescue and hundreds of other organizations as part of our commitment to create a future in which no pet is unnecessarily euthanized," said Susanne Kogut, President of Petco Love. "Our local investments are only one component. In April, we also launched the first of our national tools to empower all animal lovers to drive lifesaving change right alongside us."

"We are so grateful for Petco Love's support as we expand our rescue work in Texas. This grant will enable us to rescue many wonderful dogs from the overcrowded shelters in our area, bring them to our new Hearts & Bones Rescue Ranch, and transport them to New York City to find loving families," said Whitney Fang, President.

Hearts & Bones Rescue is a nonprofit organization focused on rescuing dogs in need from overcrowded Texas shelters and transporting them to New York City, where they live in loving foster homes until they find their forever families. Since 2017, Hearts & Bones has saved the lives of over 2,500 dogs and built a positive, inclusive lifesaving community of fosters, volunteers and adopters.
